Yaounde, the _____

ADIEU JORGE ANZORENA!

It was with great consternation we at CEPROCUL learned of the passing on to glory of the Jesuit priest and renowned architect Fr JORGE ANZORENA. Like his predecessor and precursor Rev Fr Josse van der Rest, his memorable works in shelter for the urban poor shall ever remain engraved in the annals of humanitarian action in Asia, Africa, and Latin America.

Go in the Peace and Quiet of the Lord. Go, find, and tell Fr Josse van der Rest that the shelter and other humanitarian social services in which you both devotedly invested your all is on an excellent footing around the world.

Go, go, go and continue to work in the Lord's Vineyard in service to humanity.

Adieu Fr Jorge Anzorena. Adieu, Adieu.
